1. Boeing Field: Signature flags “ICE FLT” for the airport

Email chain, May 30, 2025 · Signature Aviation (Boeing Field office) ↔ King County International Airport operations.

From Signature (BFI, Guest Experience Team) to King County Airport Operations, May 30, 2025, 12:09 PM:

“We just received a new schedule in which the previously cancelled ICE flight on the 31st has been re-added. This flight will be arriving tomorrow May 31st at 11:23. Gate 22 has been requested for this flight.”

Reply from the King County / Boeing Field Airport Duty Manager (Brad Falcetti, C.M.), May 30, 2025, 3:54 PM:

“When you/Signature list ‘ICE FLT’ in the details of the reservation that is very helpful ... it did make it easier to notice ICE flights.”

2. “ICE MISSION”: GlobalX charter booked through Signature

Email chain, January 14–15, 2025 · Global Crossing Airlines (GlobalX) → Signature (Boeing Field) → King County Airport Operations.

From GlobalX (OCC Coordinator) to Signature, Jan 14, 2025 — subject line: “BFI HANDLER 24 HRS RECONFIRMATION — ICE MISSION.” Tail number N966AD; flights GXA6156 / GXA6157, January 15, 2025; ground support equipment, de-icing, fuel and lavatory services requested. Billing directed to CSI / AEG Fuel.

From Signature (BFI) to King County Airport Operations, forwarding the request:

“We just received confirmation that the ICE mission will not be today but will instead be tomorrow 1/15/25. Is there any way we can get gate space for this flight? Our usual gate 22 would be preferred ...”

Reply from the Boeing Field Airport Duty Manager (Evan Larson, C.M.):

“We will have gate 22 open for you tomorrow from 9–11 for the rescheduled ICE flight.”

3. Hanscom Field: Signature reports ICE charters to MassPort

Email, September 5, 2025 · Signature Aviation (Bedford / Hanscom) → Massachusetts Port Authority, Hanscom Field.

From Signature's Bedford General Manager (Tony Caruso, C.M.) to the MassPort Hanscom Field Director (Christopher Willenborg) and a colleague, Sept 5, 2025, 9:30 AM:

"Here is the info we received on the ICE charter flights scheduled for this afternoon and tomorrow afternoon. The Operator is Avelo Airlines — B737-800 aircraft. We understand it is only these 2 flights due to the airshow at PSM but will try to confirm."

4. Laredo: Signature grants ICE agents daily facility access

Email, May 31, 2024 · Signature Aviation duty manager, Laredo, Texas.

From a Signature Aviation Duty Manager (Laredo, TX), subject "Fw: ICE Agents," to Airport Access Control:

"Can you please provide access to our AOA doors D-15 for the following Ice Agents as they come in our facility on a daily basis and are requesting access: Gilbert Mancha — DHS ICE = 400538; Jose Enriquez — DHS ICE ERO = 402238."
